

## V.E.C. - Premier Division UCFL Champions - 2008-2009!

Going into the final league game of the season on 23<sup>rd</sup> May 2009 in Terenure, Trinity Corinthians were on 49pts while VEC were on 47 pts.

The visitors took the lead 5 minutes into the second half, only for VEC to equalize through Simon Roche in the 65th minute, and then take the lead in the 75th minute through substitute Brian Ward. Trinity pushed everyone forward at that stage, but as VEC defended doggedly, they caught their opponents on the break in the 90th minute when Brian Ward rounded the goalkeeper to score his second and VEC's third goal to win the game 3-1 and finish top of the Premier Division table on 50 pts.

**An unbelievable day - providing an unbelievable end - to an unbelievable season!**
